MAKE THE RIGHT DECISION : RALLY YOUR TEAM WITH A PHENOMENAL AND TOTALLY SAFE OUTDOOR ADVENTURE

It is common to have employees dread their annual corporate function, as they often feel awkward and unnatural breaking the ice with their fellow colleagues.

At Acrobranch, your day spent in nature, with the beauty of the forest and fresh air, is one way of putting your staff at ease.

Our adventure courses are great for bringing people together and feeling a sense of shared experiences, while allowing your staff to step out of their comfort zone and take on new challenges.

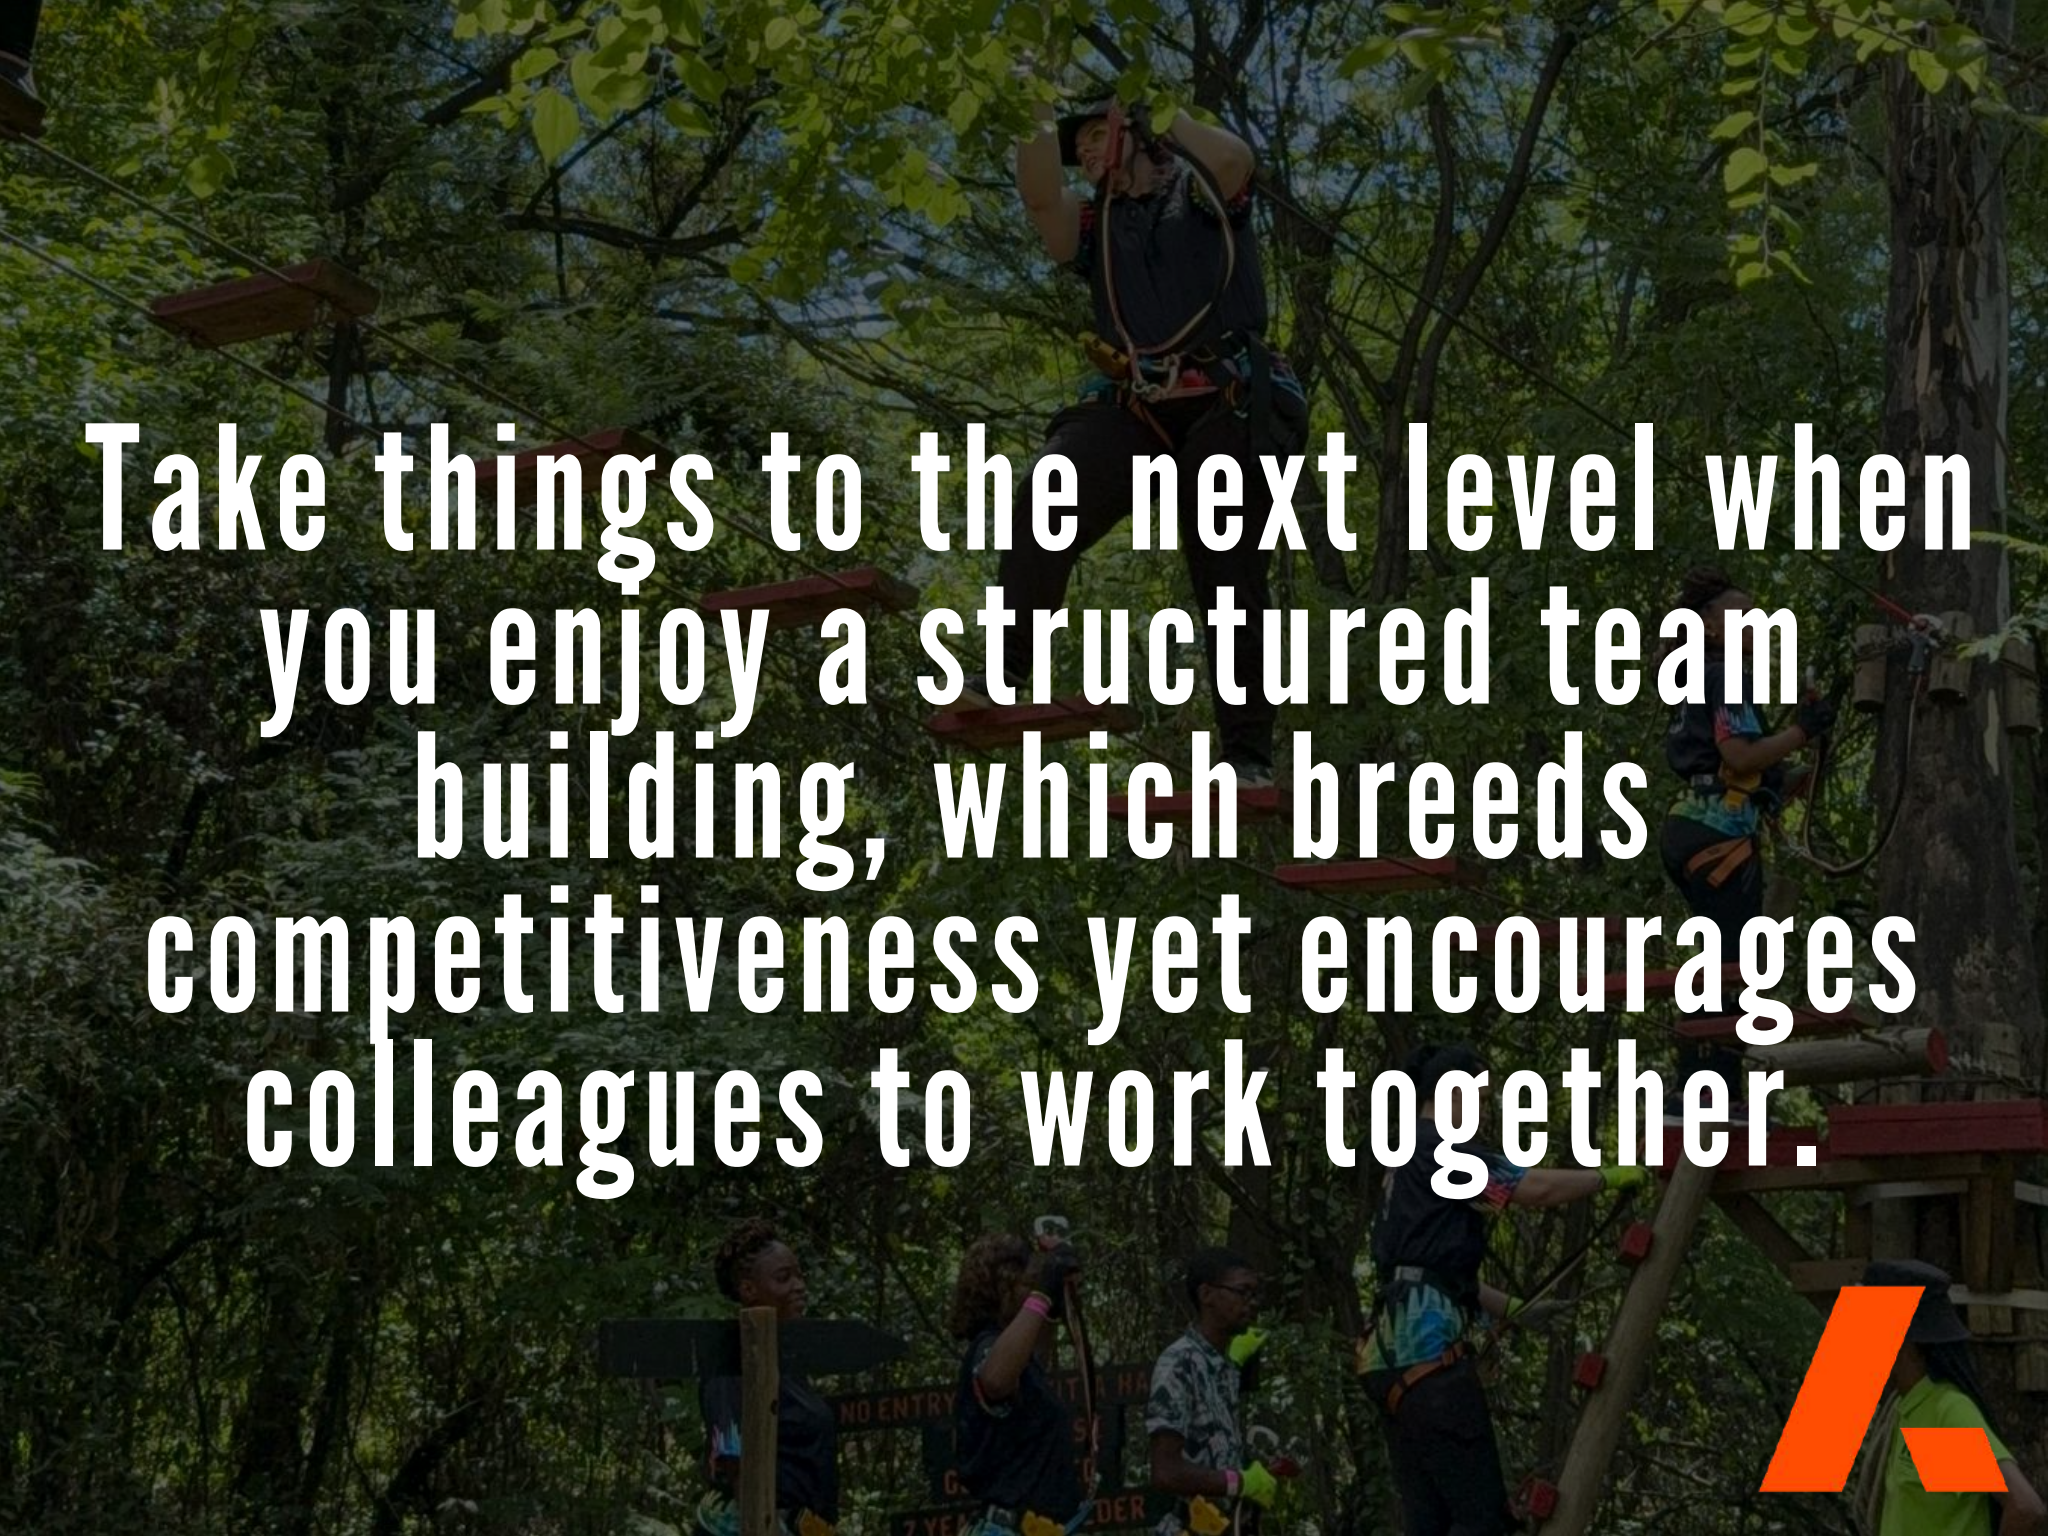

We encourage our customers to progress at their own pace on our obstacle courses.

- At Acrobranch, all of our obstacles, including zip lines have been designed and built to European standards and verified by European industry experts.
